

REMARKS

The Office Action mailed September 22, 2004, contained a restriction requirement that alleged claims 1-21 were drawn to a method of fabricating a high quantum efficiency photodiode and that claims 22-30 were drawn to a high quantum efficiency image sensor. Applicants have elected to pursue prosecution of claims 22-30, and have canceled claims 1-21.

Applicants reserve the right to pursue claims 1-21 in a divisional application.

No fee is believed to be due in connection with this amendment and response. If, however, any fee is deemed to be payable, you are hereby authorized to charge any such fee to Deposit Account No. 20-0778.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Daniel R. McClure", is written over a horizontal line.
